- Grade R Teachers
- Au Pairs
- Orphanage Staff
- Home School Parents

The SAQA 64650 National Diploma, Early Childhood Development (ECD) (Learning Programme 23118) qualification is a formal and recognised qualification accredited by the Education, Training and Development Practices Sector (ETDP SETA).

The purpose of this qualification is to:

1. To enable educators/ learners to plan and implement a learning programme which is based on their knowledge of child development from birth to nine years and which helps children in a specific phase work towards achieving the learning outcomes of the national school curriculum (where appropriate).
2. To improve community-based ECD services for young children by raising the level of ECD teaching competence and/or by providing opportunities for training in support and leadership roles.
3. This qualification provides a substantial qualification for:
 - Potential learners/educators who have acquired an FETC (Grade 12) or equivalent qualification at Level 4 (120 credits) and who wish to make ECD their full-time career (entry point);
 - Learners/educators who have a Level 4 qualification in ECD to further their career and professional development in ECD by providing access to a Level 6 qualification;
 - Learners/educators who have a Higher Certificate in ECD to further their career and professional development in ECD by providing access to a Level 6 qualification.
4. Once completed, this qualification provides access to a recognised educator qualification at Level 6 for ECD educators who have a Level 4 or Level 5 certificate in ECD, providing a bridge between non-formal and formal learning programmes.

Exit Level Outcomes

Those credited with this qualification will be able to:

1. Mediate active learning in an integrated and holistic learning programme.
2. Facilitate learning and development of children with barriers to learning and other special needs, including those coping with abuse and violence, within an inclusive anti-bias approach.
3. Promote the safety and healthy development of each child.
4. Work with colleagues, families and community systems to develop each child's potential as fully as possible.
5. Manage a well-planned and organised learning programme to meet the needs of individual children within the framework of the national school curriculum (where appropriate).
6. Select and use appropriate methods and procedures for assessing children's progress and reporting on this to parents.
7. Promote the development of high quality ECD programmes and services.
8. Communicate effectively for the purposes of academic study and professional practice.
9. Plan and implement appropriate learning activities and materials or management practices based on knowledge of the principles, processes and content of the chosen specialisation.

How is This Qualification Completed?

- Training can be provided to individuals or for groups.
- Enrolments can take place at any time of the year and take place as following:
 - Enrol and pay in full for the full qualification.
 - Enrol and pay in full for the first year.
 - Enrol and pay in full for the second year.
 - Enrol for one or a couple of modules at a time. Payment and enrolment take place for the module(s) enrolled for.
- This full qualification is to be completed in two years. The pace that the learner works at also impacts the duration and may be completed sooner.

For Individuals:

- Individuals can complete this qualification through distance learning (self-study).
- Support is available to learners via MS Teams, Zoom, email, phone or setting up an appointment to meet with one of our facilitators for guidance.
- The learning material will be provided electronically as PDF documents.

Accreditations: QCTO | ETDP SETA | MICT SETA | Services SETA | SABPP

Practical Component (Workplace Experience)

A certain number of hours practical work at an ECD Centre/Grade R facility/pre-school is compulsory. Those who are already working in a nursery school/crèche/pre-school environment can complete the practical hours during their normal working hours. Those who are not employed by such a facility can approach a nursery school/crèche/pre-school to allow them the opportunity to complete the practical hours.

- Learners are responsible to source a workplace for their practical workplace assignments.
- A logbook will need to be completed by the learner which needs to be signed off by the supervisor you are working with to record practical experience.
- Workplace experience will take about 7 weeks spread over the 2 years to complete the diploma.

Assessment

- A portfolio of evidence (PoE) will be completed for each module and submitted for assessment.
- Once the portfolios and workplace experience has been completed a final integrated practical assessment will need to be completed.

What is a Portfolio of Evidence (PoE)?

- As the name implies, the Portfolio of Evidence contains different types of evidence for different purposes.
- The Portfolio of Evidence contains various questions and activities which are completed by the learner.
- All questions in the Portfolio of Evidence are covered in the Learner Guide.

How do I know that ENJO Consultants ECD Practitioner training is recognised?

- ENJO Consultants are accredited with the ETDP SETA to offer this qualification: Accreditation No: ETDP10602.
- On successful completion of the programme, ENJO Consultants will upload your results onto the ETDP database and you will receive a certificate.
- The ETDP SETA will capture your results on the National Learner Record Database (NLRD) and issue a Statement of Results (SoR) that will reflect the credits you have earned.
